Meeting started at 0958 Hrs.

Motion to approve the 10-20-2020 minutes by Chief Disbrow, 2nd by Chief Erskine. No discussion. Approved by all. Motion passed.

Old Business:

Chief Haas stated that Sharon Fire donated an old squad to the All Hazards Team. The title is at the Sharon Administration building and Chief Haas will pick up the title.

This Sunday's (11-15-2020) Swift Water training will be a joint venture with the Wayne County Dive Team at Killbuck Lake west. Starting time is 1300 Hrs. Chief Haas stated that anyone who would like to view the training can come to the Lake.

Chief Haas asked Christina Fozio about Wayne County. Christina stated no emails from them as of yet.

Chief Haas talked about the Cares Grant on how we have acquired a 25' gooseneck flatbed trailer, 2 shelters and a new F-550 truck.

Chief Haas asked Wally about bench testing. Wally states that the bench testing will be performed on 12-8-2020.

Chief Haas asked Wally to get the 10K generator to Sharon Fire to have it repaired.

Chief Haas asked Christina about the printer for decals. Christina stated nothing yet on this printer.

Chief Haas advised the Board that the Hazmat Typing is scheduled for 12-17-2020.

Chief Haas stated he has not pursued pricing for a winch for the flatbed trailer.

New Business:

Wally stated that Bob Bures had ordered new FIU helmets on 11-9-2020 and is working on a camera for a to-go kit for FIU investigators when he is not available.

Wally stated that the 2021 training schedule is about 90% complete and will be sending out 2021 Applications on 11-16-2020.

Christina stated that they will be picking up pallet racks next Monday that we donated from a private company.

Christina stated that the Capital Grant is back up and running. Working on some small details.

)con't)

Christina stated, and this is cryptic, that a private business owner offered to build a new All Hazards building on his property with a 99 year lease. More to come from this.

Christina stated that the Chippewa Lake Fire Station is still in limbo.

Christina stated that the 2021 Budget was approved by the Executive Board last month.
