Medina County All Hazards Advisory Committee

July 10, 2019

Members: Chief Haas Chief Painter
Chief Disbrow Christina Fozio

Guests: Wally Sobczyk Ben Nau
Matt Sturgeon Claudia Judele

Meeting started at 1302 Hrs.

Motion to approve June 13, 2019 meeting minutes by Chief Disbrow, 2nd by Chief Painter, No discussion, Approved by all.

Cost Allocation discussion for 2021-2023, Discussed about needs for Dive with Cost Allocations

Swift Water

Swift Water Side Scan Sonar is in. The next step is training in August on the Sonar.

A brief discussion about Swift Water Ops and Tech training

The Swift Water trailer is being striped in Montville and the emergency lighting will possibly be installed next week.

The Swift Water trailer has 6 extra med/large PFD's inside the trailer. We will need to order at least 2 larger sizes.

Drones

Ben presented a power point about drones and drone usage. This will also be presented at the next Chief's meeting.

A discussion about purchasing a drone and having a Drone Team. AHAC will take the lead on the drones and Drone Team

A motion for AHAC to take the lead on the Drone Team was made by Chief Painter, 2nd by Chief Disbrow, No discussion, Approved by all- unanimous vote.

Region 5

The flatbed, located at Sharon Fire is fixed and loaded with lumber

Wally stated the T-600 radios are in and are in use. 6 of them are in the Swift Water trailer and 4 of them in the Rope trailer.

FIU

Wally stated that Bob Bures ask on how the AHAC and All Hazards would like to have the FIU called. Bob stated either the Medina County All Hazards FIU (MCAH FIU) or the Medina County Fire Investigation Task Force Team (MCAH Fire Investigation Task Force). The Board agreed on the on the 2nd name

Wally stated he has not received 2020 Budget requests from Larry Walters or Mike Stanec.

(con't)

Chief Haas stated that Greg Smith will be working with Don Chicatelli after the Medina Co. Fair to get the Hazmat Team back in order.

The next meeting is August 12, 2019

Meeting ended at 1357 Hrs.
