Motion to approve January Meeting Minutes made by Alliss Strogin, second by Julio Esis approved by all.

- Hazmat Update - Tom
 - Tech class starts March 19th (5 days) all weekends. It is very difficult to get participation on the Hazmat team. It would be great to fill class with Medina County FF's. Currently we have 5 or 6 from Medina County. Around 15 total in the class right now. Hazmat team members have full time jobs, plus their part time departments. It is also difficult to get people to attend hazmat training.

Once Around

- Sheriff Grice
 - Thank you to Ben & Matt for assisting with the missing juvenile on Tuesday night
- Ron Fodo
 - Ron reported 2 spills since the last meeting, Dominion Gas and diesel fuel from a semi. Tom and Ron discussed details on the semi accident that went down an embankment.
- Colin Johnson
 - COVID cases in Medina County continue to go down each week. Numbers are significantly lower than they were.
