Ben Nau

- HMEP Grant Update
 - Hazmat Officer Safety Officer class scheduled for May.
 - Confined space technician class being scheduled for early summer.
 - Application submitted for rope level 1 class and hazmat technician class for 2022.

Tom Bartfai

- The hazmat team passed the typing audit Dec 17 to become a type II team again. It will be formally approved at next week's tac meeting.

Christina Fozio

- An architect will be at our Chippewa building tomorrow to give us an idea on the cost for the second-floor addition.
- The 2018 Homeland Security Grant Planning project kickoff meeting was this week. This is for the new Mass casualty/mass fatality plan. Final plan is due May 31st, we just got the contract from Summit County to start the project.

- An RFP for the full-scale exercise was just submitted to Summit County and needs to be complete by December 31st 2021.

Colin Johnson

- Vaccinations are ongoing. The Health Department only schedule's people after they know how many doses they are receiving. There was a large clinic at the fairgrounds yesterday and there is another today for over 600 people each day. The Health Department will be getting the Johnson and Johnson vaccine soon. People will have the choice of vaccine through the ArmorVax app, which is how people register for their vaccine appointment. The next vaccine eligibility phase opened today.
