Public Comment

- No public comment

A special presentation was given by the Department of Homeland Security - Office of Infrastructure Protection on the Chemical Facilities Anti-Terrorism Standards (CFATS) Program.

Christina Fozio

- The LEPC Exercise will be on June 27th at 6pm. It will be a tabletop exercise involving the Medina County Fair. Additional details and invitations will be sent. Ben & Matt are players this year.

Ben Nau

- We received the following spill report since the last meeting
 - None
- One 30-day follow-up report(s) were received
- All Hazards Conference: Thursday Sept. 13th Summit County Health Department. It is now a tri county conference between Medina, Summit, & Stark. Next year the conference will be in Stark County.
- SKYWARN Training: Tuesday May 15th at 6:30pm at Medina County Career Center. It is a free storm spotter training put on by the National Weather Service.

Greg Smith

- Greg gave the attached Hazmat Report
 - Notable items:
 - There has been one incident, an officer phone consult

- We are still trying to find a hazmat technician class. There are 5 people on the team that need to take it.

Once Around

Alliss Strogin

- Alliss said she has received 3 phone calls from EMA's recently asking about CARE in Medina County

William Ryan

- OSRT had their spring exercise. It was in Dover this year.
- OSRT has obtained a new command trailer

Dave Rickon

- In early April the Communications Unit had a communications test between Medina Hospital, Lodi Hospital, Wadsworth Medical Center, and EMA. Repeated and non-repeated frequencies were tested. Dave is currently working on an AAR.

Brad Karns

- The Biological Workshop discussed at the last meeting has been postponed until fall.

Fred Romeo

- On February 15th in Belmont County there was a loss of well control which resulted in a full blowout. There were no injuries, however there was a 1-mile evacuation and the incident lasted 20 days.

Bob Zehentbauer

- There is a presidential declaration for the flooding along the Ohio River, this has opened up FEMA funds that we can use for a mitigation project.

Adam Friedrich

- NEXUS pipeline construction is in progress, it has been relatively quiet

Wally Sobczyk

- The All Hazards team has 2 new team members
- Structural Collapse training has been classroom based to try and get more of our team up to the operations level
- The trailer for the swift water team has been purchased

Anthony Dattilo

- On June 30th OEPA is starting an E-manifest system for hazardous waste transport

Jim Baird

- Assistant Chief Barber has retired from Brunswick Fire Department. Josh Erskine is the new assistant chief and is the Fire Marshall for Brunswick.
