Guests

Steve Smith – Medina Hospital Intern

Anthony Dattilo called the meeting to order at 0831 at All Hazards Station 1.

Public Comment

- None

Motion to approve May Meeting Minutes made by Colleen Swedyk, second by Mark Albrecht approved by all.

Spill Reports

- None

Ben introduced resolution 2021-13. This is the first step to conduct a LEPC pipeline exercise. This resolution requests the SERC to identify the Nexus Gas Transmission pipeline as a fixed facility for exercise credit. It will then be voted on by the SERC and there will be a period of public comment before the final approval.

Motion to approve Resolution 2021-13 made by Julio Esis, second by Alice Strogin approved by all.

Hazmat Update

- There were 2 hazmat calls since the last meeting. An odor call in Valley City and a semi leaking nitrogen in Medina City.

All Hazards Station 1 Update

- First RFQ for an architect only has one response. It was readvertised and we received 3 responses. Then next step is to interview the architects with a scoring sheet.

Full Scale Exercise

- The design team met with the contractor who is designing and facilitating the exercise. It is paid for with 2019 Homeland Security Grant and testing the 2018 homeland security grant funded MCI plan rewrite. The exercise will be in Lodi and include a family assistance center exercise on October 15th and a semi-incident on October 16th as the first responder portion of the exercise.

Once Around

- Colleen Swedyk
 - The groundbreaking ceremony for the new courthouse is next week.
- Greg Smith
 - Medina Hospital is full again. Hospitals are full due to people put off care for chronic conditions now seeking treatment. This is affecting all hospitals.
 - Greg also provided an overview of the Valley City FD hazmat call.

Adjourn at 0854 Motion made by Mark Albrecht, second by Julio Esis
