Ben Nau

- Today is the last meeting for the current LEPC membership. The commissioners will approve a resolution appointing the current members for another 2 years beginning Aug 1<sup>st</sup>.
- The full scale LEPC exercise was on June 24<sup>th</sup> and was very successful. There were very little problems. (Letter to SERC with evaluator comments was distributed). The exercise recommendations were reviewed. Michelle Sowers said it was the best thought out exercise this year of the 18 counties she oversees. Greg commented on improving communications with hazmat by giving command a hazmat radio. Anthony Dattilo suggested putting a placard on the chlorine building, and said the exercise went very smooth. Pictures of the exercise were also passed around.

**Motion to approve Resolution 2017-13 “Hazmat Plan No Change Review” made by Alliss Strogin, second by Greg Smith approved by all.**

Matt Sturgeon

- Matt presented the upcoming trainings EMA is hosting

Hazmat Report

- Greg presented the attached 2016 annual hazmat report. The key points he reviewed are,
  - 356-2 & 358-2 now have a home in Montville
  - We currently have 16 members, 5 need a tech class

- Greg attended a chiefs meeting and presented this report
- The hazmat ID was purchased last year with grant funds
- The hazmat team assisted with the Polar Plunge in Lafayette
- The officers taught 4 outreach sessions and fire departments
- Hydrocarbons lead in team responses
- Total 2016 responses
  - 6 phone consults
  - 5 officer callouts
  - 4 team callouts
  - Hazmat assisted in 2 all hazard team callouts

## **Once Around**

Greg Smith

- Cleveland Clinic is continuing active shooter training. The water was also shut down last night to do some pipe repairs, it went well. Greg also introduced Cathey Burns who was in attendance, she is very involved in Emergency Management at the Hospital.
