Public Comment

- None

Motion to approve July Meeting Minutes made by Coleen Swedyk, second by Terry Grice approved by all.

- Spill Reports
 - None since last meeting
- Hazmat Update
 - The hazmat team has had no responses since last meeting.
 - Tom has scheduled a HMEP funded Chlorine Emergencies class for December 3rd
 - Alliss discussed a citizen complaint she received regarding an intentional release in a pond. Ben reviewed the EPA reports, they had investigated the reported release and determined there was no unauthorized release into the pond.
- Pipeline exercise
 - The SERC approved the NEXUS Pipeline to be “under the plan for exercise purposes”. That is the final approval needed to have an exercise with the pipeline and have it count as LEPC credit.

Motion to approve Resolution 2022-002, request for SERC to review Hazmat Plan made by Coleen Swedyk, second by Julio Esis approved by all.

Once Around

- Terry Grice
 - The county lost a great friend recently, former Sheriff Neil Hassinger. He shared the funeral arrangements.
- Chuck Stiver

- The All Hazards Team received a trailer donated by Erhart trustees & fire department for use by the Fire Investigation Team. He is working on getting FIU up to date on PPE.
- Mark Albrecht
 - Asked if the pipeline exercise will be just for the Nexus pipeline or include a petroleum line. The SERC resolution was specific to the NEXUS Pipeline.
- Christina Fozio
 - Draft record retention policy is currently with the prosecutor, it will allow us to destroy some unneeded records since space is limited.
 - Ben is working on an exercise with CISA (Cyber Security Infrastructure Security Administration). They are going to design and facilitate an interoperability communications exercise for the county and surrounding partners.
 - Ben is also working to gather information for a regional TICP (Tactical Interoperability Communications Plan)
 - EMA is starting the process to update the flood mitigation plan
 - Layout of the building renovation is near completion.
- Anthony Dattilo
 - Started discussion about training for fire departments and law enforcement. Chuck explained the firefighters receive operations level training when they go to the fire academy and law enforcement receives awareness level training at the police academy.

Adjourn at 0857 Motion made by Coleen Swedyk, second by Julio Esis
