Once Around

- Colin Johnson

- The Medina County Health Department is getting ready for flu vaccines. COVID numbers are also going up, but not drastically.
- Chuck Stiver
  - All hazard equipment is moved into the new station. There is a team lead meeting tonight to work on next year's budget. The hope is to have an All-Hazards full team meeting in November or December. Door access Fob system is installed, all team members will get one. Public safety diver training starts next week. 12 students in the class.
- Steve Hambley
  - The county will be updating the Solid Waste Plan over the next 2 years. We need to do a better job with household hazardous waste collection in the county. We are working on selecting a contractor to revise the plan. There will be various discussions about the operations of the County's Processing Facility with the contractor.

**Motion to Adjourn made by Alliss Strogin, second by Rob Haas at 0900**
